Conditions for granting subsidy

1. Application for subsidy should be submitted in the prescribed format of the Board with certification of the Officer of Dept. of Agriculture/Horticulture.
2. Only those farmers who own more than 0.1 hectare (25 cents) or more and less than 4 hectares (10 acres) of land are eligible for subsidy under this scheme. Applicant should plant at least 10 coconut seedlings.
3. Applicant should have legal right of the property.
4. Quality seedlings either from Government nurseries, nurseries recognized by respective State Governments or those produced by farmers themselves (certification of the Agricultural Officer is required) should be used for planting.
5. In one hectare more than 175 or more than the number of coconut trees stipulated by the State Agricultural department should not be planted.
6. From the beginning coconut seedlings should be managed as per recommendations.
7. All required agricultural practices should be done before submitting application for subsidy each year.
8. Subsidy will be granted based on the actual number of existing coconut seedlings. If coconut seedlings which received subsidy get destroyed or die by any reason the farmer should bear the expenditure of planting new seedlings. But subsidy will not be given for such replanted seedlings.
9. Beneficiary should display a board "This Farm has received subsidy from Coconut Development Board" at his own expenses in the farm.
10. If any plant which received subsidy is destroyed the owner should return the subsidy with 12 percent interest to the Board.
11. If the land which received subsidy is acquired for any public purpose the subsidy amount should be returned to the Board.
12. If the Board comes to know that any person has obtained subsidy by cheating or creating misunderstanding Board will have the right to recover the subsidy amount with 12 percent interest.
13. The inherent of the land which received subsidy will be eligible to receive the next one installment of the subsidy. A separate application supported by necessary documents should be submitted to the Board for this purpose.
