**Operational guidelines for providing financial assistance
for the establishment of coconut nucleus seed garden (Big Units)**

1. Maximum financial assistance shall be limited to Rs.6.00 lakhs phased over a period of three years @ Rs.3.00 lakhs during the 1st year and Rs.1.50 lakhs each during the subsequent two years. However, the financial assistance shall be based on the total area of the seed garden and in any case shall be limited to 25% of the cost of establishment of nucleus seed garden.
2. Registered/approved private and other specified coconut nursery owners, cooperative/ charitable institutions, NGOs, farmers' associations, etc. who own 4ha (10 acres) land suitable for the establishment of the coconut seed gardens will be considered for the assistance. In the case of Kerala State, the limit of the land is reduced to 2 ha (5 acres) and the subsidy will also be reduced proportionately.
3. Quality seedlings of identified cultivars shall be procured from the approved agencies such as CPCRI, State Agricultural University, etc. and planting programme including layout shall be finalized by a Committee consisting of Officials of the Board/ SAUs/ CPCRI/ Department of Agriculture/ Horticulture.
4. Application shall be submitted in the prescribed form with the following documents.
 - a) A copy of the possession certificate of the land
 - b) The project proposal along with a sketch of the area proposed for establishing the seed garden.
5. The applicant should submit a DD for Rs.1000/- along with the application, drawn in favour of Chairman, Coconut Development Board, Kochi.
6. On receipt of the application, officers of the Board/ SAUs/ CPCRI shall inspect the site and on the basis / of the report, the Board shall issue administrative approval for implementation of the programme in the proposed area.
7. The strengthening of infrastructure facilities like fencing, land development, development of irrigation sources, etc. shall also be covered under the project fund in addition to the expenditure required for the planting and maintenance of the seed garden for three years.
8. The financial assistance shall be extended by the Board for three years only; thereafter the seed garden shall be maintained by the beneficiary at his/ her own cost. Quality seedlings of promising cultivars shall be produced when the farm reaches production stage, with the technical guidance of the Board.
9. If the beneficiary has availed himself / herself of finance from financial institutions like banks, the incentive shall be linked to the credit linked project.
10. Seedlings produced by the nurseries under the scheme can be linked with Board's area expansion\ programme and other programmes as per the prescribed norms of the Board.
